Amarine The Mozia, BSD City

I'm someone who enjoys understanding how people think and finding simple ways to make their experiences better. I've had the chance to work closely with others in roles like being a facilitator and working on creative projects, and those experiences taught me how meaningful good communication and thoughtful problem solving can be. I'm always eager to learn, collaborate, and explore creative ways to solve problems.

Education Level

Universitas Bina Nusantara

Sep 2023 - Sep 2027 (Expected)

Computer Science, 3.82/4.00

Work Experience

Yari Club - London, United Kingdom (Remote)

Apr 2025 - Present

Part-Time POS & Inventory

- Organized, created, and deleted items (ingredients and menu), while maintaining accurate cost pricing.
- Linked menu items with ingredients and recipes, ensuring proper measurements and costing.
- Input purchase orders and maintained accurate stock records.
- Conducted monthly stock counts on the 1st of each month and reminded the store manager for end-of-month stock takes.
- Generated and reviewed monthly loss and wastage data, exporting reports into spreadsheets.
- Created and updated promotional items in the till system, ensuring smooth setup and deployment at the stores.

Organisational Experience

Exellence Program B28

Sep 2024 - Jun 2025

Freshman Partner

Accompanied and facilitated new students (freshmen) through BINUS University's Excellence Program (EESE), a series of 20 sessions across two semesters designed to support freshmen in adapting to university life.

- Planned and managed meeting schedules in coordination with freshmen.
- Led discussions and delivered university-provided materials on essential topics, including time management, academic preparation, relationship building, and other aspects of student life.
- Built strong communication and created a supportive environment to help freshmen feel more confident in their transition to campus life.

Teach for Indonesia Student Community (TFISC)

Mar 2024 - Mar 2025

Activist of Partnership Division

- Developed creative ideas and recorded TikTok content to promote the organization and its initiatives.
- Contributed to building a positive image of the organization through engaging and informative content.

Welcoming Part TFISC 2024

Sep 2024 - Oct 2024

Staff of Fundraising Division

- Broadcasted promotional messages to event teams, ensuring scheduled Instagram Stories for pre-order campaigns were posted on time.
- Monitored posting schedules to maximize visibility and engagement.
- Handled the distribution of pre-order items to buyers accurately and on time.
- Cross-checked product quantities with order data to ensure accuracy.
